Principal
Croydon Community School
177-181 Mt Dandenong Rd
CROYDON VIC 3136

Dear Bernadette

Re: \$18.2 million funding – relocation and rebuild - Croydon Community School.

Further to my phone call to you earlier today, I am pleased to confirm that additional funding of \$18.12 million is being provided to enable the relocation of the Croydon Community School to the Croydon Road site, including for new administration, wellbeing and advisory buildings, physical education facilities and Town Hall.

As you know, the renewal of Croydon Community School has been a long term advocacy project of my colleague Shaun Leane MP. I am delighted to be able to see that long term vision for the school commence and be brought home to finality. I look forward to seeing the project works commence very shortly in the coming months.

This project is part of the Andrews Labor Government's Building Works package, which will deliver \$2.7 billion in shovel-ready projects – big and small – to get thousands of people back to work across our state.

Together, the projects will create space for more than 21,000 extra students in Victoria's education system and create more than 1,600 local construction jobs in communities across Victoria.

This \$1.18 billion education building program is in addition to the \$6.1 billion invested by the Victorian Andrews Labor Government on delivering school upgrades since 2014, supporting more than 7,500 construction jobs for Victorians.

If you have any questions in regard to the progress of this project please don't hesitate to contact my office. I look forward to working closely with you and Croydon Community School through the delivery of this project.

Warm regards
